1/18, 11:40am

Todd McCormick

Who?

What is his full name? What did he do?

1/18, 11:41am

Kristi Gegax

Frank Gegax

I just thought you might. I heard your name from the mouth of Dave Richards on the Adam Dunn show. It sounded like you were connected to him...maybe not  
Not my dad but Dave Richards

1/18, 11:43am

Todd McCormick

Wow - Dave - I did not get that program I'm not sure what he spoke about

1/18, 11:44am

Kristi Gegax

It was an episode on the original OG kush

1/18, 11:44am

Todd McCormick

I have not spoken to him since the 90's when he became a federal witness in my case against me  
Oh

1/18, 11:44am

Kristi Gegax

He mentioned my Dad a lot and you

Oh geeez. Lame.

That shit happened to my Dad, too. One of his best friends ratted him and everyone else out.

1/18, 11:45am

Todd McCormick

Do you have a URL for the show I will go back and listen to it

Scroll down to the 8th post and then fast forward to the hour mark. That's when Dave gets on.

Lots of shit he says is totally bogus. Btw

1/18, 12:03pm

Todd McCormick

1/18, 12:07pm

Kristi Gegax

My dad never even met him

1/18, 12:07pm

Todd McCormick

1/18, 12:07pm  
Kristi Gegax  
Shocker

1/18, 12:07pm  
Todd McCormick  
he was a rat

1/18, 12:08pm  
Kristi Gegax  
No wonder he isn't on FB.  
My Dads rat did zero time  
He got 12  
Did 10

1/18, 12:09pm  
Todd McCormick  
Dave i did 5  
no  
I did 5  
Dave did under 1 i think

1/18, 12:10pm  
Kristi Gegax  
I thought it was interesting when Adam Dunn or his assistant asked him specifically  
how much time you did and he tried to brush over it like people with prior did 5 and  
everyone without did 1  
My dad called it and said he prob ratted on u

1/18, 12:11pm  
Todd McCormick  
you dad is right

Dave was so jealous  
wow

1/18, 12:12pm  
Kristi Gegax  
Weird

1/18, 12:12pm  
Todd McCormick  
thank you for bringing this to my attention  
what bothers me is that he cannot stop ratting - . He is on the Internet whining about  
me smuggling jars full of seeds through customs. I can't fucking believe it  
what's worse is that what he's accusing me of is blatantly not true

1/18, 12:13pm  
Kristi Gegax  
Yeah he said wayyyyyy too much  
Chock full of lies!  
It would be awesome to talk in person sometime  
He makes himself look totally stupid, though. In the end someone asks him if he is  
gonna pop the seeds of the original and he says he would love it if a professional  
could help him... Ummm??? Didn't you just say you were a master breeder??? Lol

1/18, 12:16pm  
Todd McCormick  
Dave totally is stupid and you are right. He is full of contradictions.

1/18, 12:43pm  
Todd McCormick  
I am posting this on the video

Todd McCormick  
Dave Richards is full of BS stories and was a Federal informant in the 1997 case  
against me. Dave did months in prison for his cooperation and I did 5 years in prison

for my lack of cooperation. For the record - I NEVER smuggle seeds through LAX when I arrived back in California in 1996. I did however officially declare my medical Cannabis at customs and I was thoroughly searched. After the DEA would not intervene and the LAPD would not arrest me, custom finally released me, but confiscated by medical Cannabis. Eric Shevin represented me as my attorney in my case against customs in an attempt to get my medical Cannabis returned. I absolutely despise the allegations Dave is making to bolster his own story. as I declared my medical cannabis or customs twice in order to make a political point that Cannabis is medicine. I hope everybody listening to this realizes that being a snitch is absolutely horrible, what's worse is making up completely fabricated scenarios to facilitate the stories. -

For the record - I NEVER smuggled seeds through LAX when I arrived back in California in 1996. I did however, officially declare my medical Cannabis with my international prescription from my Dutch physician, at customs and I was thoroughly searched. After the DEA would not intervene and the LAPD would not arrest me, customs finally released me, but confiscated my medical Cannabis. Eric Shevin represented me as my attorney in my case against customs, in my attempt to get my medical Cannabis returned. I absolutely despise the allegations Dave is making about me to bolster his own story. In the 90's I declared my medical Cannabis at customs twice in order to make a political point that Cannabis is medicine. I hope everybody listening to this realizes that being a snitch is absolutely horrible, what's worse is making up completely fabricated scenarios to facilitate the stories. People should stop snitching - especially when it is absolutely fabricated stories, after listening to this broadcast today, I can only imagine the amount of fertilizer Dave spread around to the feds to get himself out of going to prison for his own grows.

sorry to send you that twice – I know you were joking about the movie  
would your father be interested in talking to me sometime? Would love to hear what  
he has to say about Dave as I have heard Dave's stories.  
He can reach me at 310-XXX-XXXX if he ever wants to talk I will of course hold our  
conversations in confidence.

1/18, 5:40pm

Kristi Gegax

Ok. I'll see. He does not know Dave. My sister went to school with him but they  
never met each other which adds to the silliness of the story.

1/18, 5:40pm

Todd McCormick

WOWO

Dave never met Frank  
well no shit

1/18, 5:41pm

Kristi Gegax  
Yep

1/18, 5:41pm

Todd McCormick

he talked about being Frank's apprentice - and I never believed that bullshit about going into the houses after they were raided and picking out genetics that were left behind, they don't leave behind shit wow so your sister went to school with Dave and obviously that's how Dave found a story about your dad getting busted and he somehow turn that into him being involved wow he has been telling fantasy stories for a LONG time

1/18, 5:45pm

Kristi Gegax

My sister says he and his friends did go raid the place after the bust but who knows

1/19, 11:54am

Kristi Gegax

I just told him what Dave has been saying and he cannot believe that he has been spewing that story long before the radio show. That's so weird. I forwarded him the movie. I hope you don't mind.

1/19, 12:01pm

Todd McCormick

Don't mind at all –

Sunday

6/7, 7:54pm

Todd McCormick

Hi Kristi - thank you for being so nice to Matt, I have been amazed that Dave will not go away with these fairytales.

Monday

6/8, 1:59pm

Kristi Gegax

Of course. Matt is a very nice guy.

6/8, 2:56pm

Todd McCormick

I thought so too – that was the only reason why I told him I spoke to you directly. I initially thought the manuscript was absolutely ridiculous but to find out it actually came from Frank is quite interesting, he should definitely consider publishing his book.

Today

12:56pm

Todd McCormick

Wow - You met me?

You lie like a fucking heathen.

12:57pm

Kristi Gegax

Ur getting me confused with my sister in air

12:57pm

Todd McCormick

I have all the paperwork on Dave

12:57pm

Kristi Gegax

She said that and I actually defended u

12:57pm

Todd McCormick

Missy?

12:57pm

Kristi Gegax  
Then we got cut off

12:57pm  
Todd McCormick  
what?

12:57pm  
Kristi Gegax  
Yes

12:57pm  
Todd McCormick  
I am so pissed  
Missy gave him stolen seeds?  
Missy NEVER met me

12:58pm  
Kristi Gegax  
Idk cause I wasn't there  
I was just a little kid

12:58pm  
Todd McCormick  
I had a prior offense? Where did all this total bullshit come from?  
Dave never met ya dad he told us all a fairytales for years

12:59pm  
Kristi Gegax  
I said what I knew and it had NOTHING to do with u

12:59pm  
Todd McCormick  
Why is Missy saying she met me?

1:00pm

Kristi Gegax

We said he never met him

She swears she did. She met u in OB in the early 90's on Newport Ave with her friend Candace.

She says u worked for the Normal Committee

1:05pm

Todd McCormick

No

I do not believe her

I also think it is hilarious that she went on air and admitted to stealing the seeds that she gave Dave.

I'm really sure that the person who trusted her would not have appreciated to find out that she took half of the season and gave them to her 18 year old high school friend.

And it is obvious that'll Dave really did was study your father's manual and pretend he had something to do with it.

1:18pm

Kristi Gegax

I'm sorry you are upset. That was not my intention at all.
